FROM THE PRINCIPAL

I wish everyone a continued Merry Christmas Season and a Happy New Year. This time of year helps us to realize the many blessings we have for each of us. We all continue to face challenges every day but also have many blessings to be thankful for and one of those blessings for me is to be able to work with our wonderful Mustang community.

As we return to school on January 3rd we know it is the winter season and we need to be prepared for inclement weather potential. We will continue to work with Campbell County schools and our feeder school principals when making decisions regarding school delays and closures. As those decisions are made we will send out a message via ALL call, email, and posting on local news stations. We will also try to update our Twitter and Facebook page to keep everyone informed as possible. Hopefully we will not run into any weather issues but we will need to be prepared. We do have a couple of snow days built into the schedule, therefore, if we do have a snow day, it will be a snow day. If we start to have several, we will adjust and use NTI Snow Day as a tool. Hopefully it will not come to this, but we know it is an option if we start having several snow days.

Finally, our battle with the Covid-19 pandemic continues. As we have stated for the last 2 years, every day we learn more and have new obstacles to overcome. We will continue to keep everyone safe and make the best decisions we can based on the information provided and the guidelines we need to follow. We continue to pray for those suffering from the pandemic in whatever form that takes for them. As we are given new information I will pass that on to you as soon as I can so we are all on the same page.

Again, I wish everyone a Happy New Year.

God Bless

MARCH FOR LIFE

The Diocese of Covington will once again observe a Diocesan Day of Prayer and Penance for Life on January 21, 2022. Each of the Catholic schools in our Diocese will observe this day with a prayer service. It will begin at 9:00 am on January 21, 2022 with the idea that all of our schools are united in a common Prayer for Life. We would love to have you join us in prayer from your homes or at work during this time as we unite to pray for an end to abortion.

Additionally, we will be taking a group of students to The March for Life in Washington D.C. Please pray for us on our pilgrimage as well as for all lives that have been taken prematurely. We will be having a Believe, an adoration and worship hour, on January 9th at 7pm in the Munninghoff in preparation for the March. Please join us as we pray and celebrate life. You can contact Ms. Stadtmiller at astadtmiller@bishopbrossart.org for questions about the March.

We reach out to you, our extended community of alumni, parents, donors, and friends with this message... please be as generous as you can in your consideration to support the Annual Appeal. Year in and year out, Annual Appeal funds provide an immeasurable benefit for the countless families that rely on financial assistance in order to send their children to Bishop Brossart.
