- School Reports

Principal – C. Holtz

- School calendar for 2023-2024 is in discussion right now. Campbell Co has pushed back the start of the school year by a week. We go 5 days longer due to Catholic holidays in our calendar. We will therefore start the school year a week sooner with the first week private transportation.
- Parent teacher conferences postponed due to hosting regional volleyball tournament. E-mail for sign-ups will come out soon. Everyone will be here 5:15-6:30. Appointments will be available through 8:00. If a teacher has no appointments after 6:30, the teacher will leave.
- Having the meal be part of homecoming will require additional parent volunteers if we proceed with that approach next year (learned volunteers beyond staff would be needed to pull it off)

Director of Counseling – K. Steffen
