FROM THE PRINCIPAL

We have had a wonderful beginning to our school year. Students and teachers are getting into the school routine already. We will be doing our first grade checks this week and official eligibility checks begin next week. Things are rolling right along and we are on our way to a great school year.

We are again having First Friday Mass in our St. Francis of Assisi Chapel at 6:45 am each month. The first Mass this school year is tomorrow, Friday, Sept 1st. We look forward to having our community gather to celebrate Mass together.

We wanted to also take this opportunity to welcome Mrs. Christie Schroder as our new Director of Advancement. Christie is a 2003 graduate of Bishop Brossart and is excited for her new role. We look forward to all the great work she is going to do for our community.

We hope everyone has an enjoyable Labor Day weekend.

God Bless

Chris Holtz

CURRICULUM REPORT

As the 2023-24 school year has begun to unfold, the BBHS faculty is hard at work to make sure that this year's work in the classroom is effective and successful.

In the first week of August, teachers from our English, Math, and Science departments met with 6th-8th grade teachers from our feeder schools to discuss curriculum trends and areas of focus. These meetings will serve as an important starting point in the process of aligning our work in the classroom from the elementary grade levels through high school graduation. Also in early August, the entire faculty took part in a workshop on Differentiation of Instruction, which focused on strategies to reach all levels of learners. This in-service also included discussion regarding identification of essential learning targets in each course.

This school year, BBHS will take part in the Xavier University Professional Learning Communities Cohort. Each school in this cohort will send two teachers and an administrator to a series of 8 monthly workshops (September-April). The goal of PLCs is to develop a culture of collaboration with a focus on data-driven instruction. The cohort series is not only helpful in establishing effective classroom practices, but it is also a great way to network with other schools, as 15 other Catholic schools from throughout Cincinnati and Northern Kentucky are joining us in the cohort. This year, the English department will represent our faculty in this program.

YEARBOOKS 23-24

If you'd like to order a 2023-2024 yearbook, online orders have begun! To lock in a lower price on your yearbook, go to jostens.com and search for Bishop Brossart. Right now, the cost to order online starts at \$63, but that will go up as it gets later in the school year.

Last school year's yearbooks (22-23) should arrive sometime in mid-late October.

If you have any questions, please reach out to Mr. Darby at bdarby@bishopbrossart.org

CAMPUS MINISTRY

Mark your calendars! The campus ministry class would like to invite our parents, grandparents, families, and friends to our all school masses at St. Mary and our first Friday masses in the chapel (6:45am). Our all school masses this semester are as follows:

- Wednesday, September 6 at 9:45am
- Wednesday, October 4 at 9:45am (The Bishop will be joining us)
- Tuesday, November 21 at 10:00am
- Tuesday, December 12 at 9:45am

~ SHOE DRIVE ~

We have 70 students joining us for a pilgrimage to Indianapolis this year for the National Catholic Youth Conference in November. In an effort to decrease the cost of the trip, we are conducting a shoe drive through Funds2Org. This organization takes the shoes that we collect and ships them to entrepreneurs who they work with in developing nations. Those individuals get the shoes ready to sell and sell them at an affordable price to people in their country who cannot afford new, retail shoes. We benefit by raising funds for our NCYC trip.

Our friends & neighbors benefit by getting rid of their new or gently used shoes. It benefits the environment by repurposing the shoes and keeping them out of the landfills. The entrepreneurs benefit by receiving merchandise they can sell to support their families in economically underdeveloped countries. The people who purchase the shoes benefit from having shoes available for purchase at a cost they can afford. It's a win-win-win!

So, what kinds of shoes are accepted? Any new or gently used shoes may be donated. Shoes may be a little dirty, but may not be torn or worn through on the top or soles. Please consider the dignity of those who will purchase the shoes – we don't want to pass on our garbage. Examples of acceptable shoe types: Sneakers, dress shoes, sandals, heels, flip flops, sports shoes including cleats, slippers, moccasins. Items NOT accepted: Ice skates, roller skates, roller blades, or hee-lies.

There will be a bin in the front office where you can put your worn or gently used shoes. We will be accepting shoes now through October 25. Please contact Abby Hensley at ahensley@bishopbrossart.org if you have any questions. Thank you for your support!

ATHLETIC NEWS

We will be accepting cash, credit card and mobile tickets through [GoFan](#) at the gate.

All Sports Season Passes and Single Game tickets are currently on sale at [GoFan](#)

We strongly encourage students to purchase a **Student All Sports Pass** that covers ALL regular season home games for the entire year at our complexes. Cost is \$20. Otherwise they have to purchase a student ticket for \$4 using [GoFan](#) or pay at the gate with a credit card.

We will also be offering **Adult Sports Season Passes** for the entire school year for \$100 and [Adult Fall Sports Season Passes](#) for \$50.

Winter and Spring Adult Sports Season Passes will be added prior to the start of those seasons.

Academic Team Begins Practice Looking For Additional Players & Assistant Coach

Our Academic Team held the first team meeting for new and returning players on Wednesday, August 30. The team would love to have additional players if there are any students who would like to join, or even just see what it's all about. It isn't too late to join, even if you didn't attend the meeting. The team competes at three levels: Varsity, JV, and Freshman, so there is a need for more players and there is plenty of playing time for all. Regular season matches will begin near the end of September. Since the Academic Team season spans multiple sports seasons, we are very flexible in working around busy extracurricular schedules.

Also, our long time assistant coach and English/Literature specialist, Mr. Darby, has stepped down from his position. Head coach, Mr. Phirman, is looking for someone to fill the assistant coach role. If you or anyone you know is interested, please contact Mr. Phirman at rphirman@bishopbrossart.org

JANEL GEIGER WIMMERS BENEFIT QUARTER AUCTION

Grab your friends and family and join us Tuesday, September 5th in the Saint Mary Undercroft. Doors open at 6:15 and bidding starts at 7:00. We will be raising money to help offset Janel's medical expenses and shower her family with love and support!
