

Matching Gifts Program

You can sometimes double or even triple your gift! Many employers sponsor matching gift programs and will match charitable contributions made by their employees. Some companies match gifts made by retirees and/or spouses.

For an INSTANT SEARCH to see if your company participates in a “Matching Gift” program go to <https://covidio.org/acue/matching-gifts/>. Donor forms may be accessible directly through the search. Complete the form and along with your check mail to BBHS in the enclosed envelope.

If your employer is not listed, please contact your company’s Human Resources or Personnel office, or call the BBHS Development Office at 859-635-2108 Ext. 7704.

Your 2023-24 Annual Appeal Gift will support Tuition Assistance

Year in and year out, Annual Appeal funds provide an immeasurable benefit for the countless families that rely on financial assistance in order to send their children to Bishop Brossart. Please carry on one of Bishop Brossart’s most cherished traditions. Namely; “...that no deserving student be denied the special Bishop Brossart educational experience due to financial need.”

ADDRESS SERVICE REQUESTED

A letter from our Development Director

Hello Mustang Community! My name is Christie Schroder and I am in my 1st year as the Director of Advancement here at Bishop Brossart High School. I am one proud alumni ('03) and honored to be back and working at the school that helped shape the foundation for my future! There is nothing better in life than having an authentic and genuine community in our small town that we all know as home.

This school year is off to a great start and in August, we welcomed the Class of 2027 into the BBHS family. We have watched them, along with our returning student's, grow athletically, and academically, but most importantly spiritually. The faculty and staff are very blessed each day to have the opportunity to help these young adults grow and mature in all aspects of their lives. We try our hardest to make BBHS feel like a second home to our students instead of just an educational institution.

We want to thank those who made last year's Annual Appeal a huge success! Our goal last year was to raise \$110,000. With your donations, and continued support, we raised \$112,000. I am truly impressed with the love and support that we get here at Bishop Brossart High School. It feels like a family community and it is evident that our community lives our school moto of “Charity First”. Thank you for all that you do for the students and faculty of BBHS.

The Annual Appeal is a very important part of providing the students of Bishop Brossart High School with the best education possible at the lowest cost possible. Your support with the Annual Appeal helps with several crucial elements in the day to day running of our school. The Annual Appeal helps with recruitment, tuition assistance, and the ability for us to provide our students with the most current technology. It also helps us provide our students with daily personal counseling, and an outstanding Academic Enhancement Program. It is because of your contributions that we can provide our students with the tools they need to be successful in and out of the classroom.

We appreciate your continued support of Bishop Brossart High School. Our Annual Appeal goal for this year is \$110,000 and anything again, over that amount will go towards our Educational Endowment fund. Thank you very much for your generosity towards the students of Bishop Brossart High School.

Thank you and God Bless!

Principal Mr. Chris Holtz

From our family at Bishop Brossart High School we want to wish everyone a wonderful Thanksgiving. It is a time to be grateful for all of our blessings that are provided to us by our Lord. We take this time to thank our community who continue to assist our school.

This is an exciting time at BBHS. Our enrollment is increasing with the growth in our community. Students are thriving academically, athletically, and spiritually. They exceed our expectations on so many levels. Continuing to grow their faith in our Lord and live our motto of “Charity First.” We are excited for the future!

This excitement and growth have provided us the opportunity to form our new 10 year strategic plan. It was great to see the thoughts and vision from our entire community. We will use this data to help us develop our path into the future.

To continue to grow comes with the need for support. That is why we come to our community every year with our annual appeal. Your gift will help those who could otherwise not afford a Catholic high school education to be a student at Bishop Brossart. Your gift also helps keep the cost of tuition as low as possible.

Please take a look at what we have accomplished in the last year. We will be aiming even higher this year. As we continue to expand and enhance all aspects of our school, we will continue to depend on generous donors like you to make these things happen. We know how blessed we are to have the ability to provide such an outstanding school for our students.

I ask that you prayerfully consider your continued commitment for this year’s Annual Appeal; we have included a pledge card and envelope for your convenience. As always, please keep our faculty, staff and students in your prayers, and know that you are in ours.

God Bless and Go Mustangs!
