FROM THE PRINCIPAL

The school year is moving along quickly. Our first quarter comes to an end on Friday and it is Homecoming weekend. We will be eating turkey and celebrating our Lord's birth in a blink of an eye. Please enjoy all of these moments and give thanks for the Lord's blessings on us all.

Speaking of Homecoming, we are looking forward to a wonderful weekend. Things are already going this week with our themes for each day leading up to the game on Friday. The Homecoming ceremony will take place before the game and will begin at approximately 6 pm with the game following at 7 pm. The dance will be at Moonlite Gardens at Coney Island from 7 - 11 pm on Saturday evening. Thank you to Mr. Goller and Ms. Tallarigo for all the work to get everything ready for the events.

The quarter is ending this Friday so remind your child(ren) to finish this week strong and make sure they have everything completed. Everyone wants to start the year off well in the first quarter so this is our last week to make that happen. You will be receiving information tomorrow morning on how to sign up for our Parent-Teacher conferences on Oct 12th. Remember that if our boys soccer team makes it to the regional semi finals, which we could be hosting, we will move this back to Oct 24th. We will send a message as soon as we know if this will be an issue.

May everyone have continued blessings as we move into the fall season.

God Bless

Chris Holtz

~ SHOE DRIVE ~

We have 70 students joining us for a pilgrimage to Indianapolis this year for the National Catholic Youth Conference in November. In an effort to decrease the cost of the trip, we are conducting a shoe drive through Funds2Org. This organization takes the shoes that we collect and ships them to entrepreneurs who they work with in developing nations. Those individuals get the shoes ready to sell and sell them at an affordable price to people in their country who cannot afford new, retail shoes. We benefit by raising funds for our NCYC trip. Our friends & neighbors benefit by getting rid of their new or gently used shoes. It benefits the environment by repurposing the shoes and keeping them out of the landfills. The entrepreneurs benefit by receiving merchandise they can sell to support their families in economically underdeveloped countries. The people who purchase the shoes benefit from having shoes available for purchase at a cost they can afford. It's a win-win-win!

So, what kinds of shoes are accepted? Any new or gently used shoes may be donated. Shoes may be a little dirty, but may not be torn or worn through on the top or soles. Please consider the dignity of those who will purchase the shoes – we don't want to pass on our garbage. Examples of acceptable shoes types: Sneakers, dress shoes, sandals, heels, flip flops, sports shoes including cleats, slippers, moccasins. Items NOT accepted: Ice skates, roller skates, roller blades, or hee-lies.

There will be a bin in the front office where you can put your worn or gently used shoes. We will be accepting shoes now through October 25. Please contact Abby Hensley at ahensley@bishopbrossart.org if you have any questions. Thank you for your support!

Academic Team is Looking for Additional Players

It's not too late to join the academic team! In fact, we need more players, especially freshmen and sophomores. Sadly, we currently don't have enough 9th and 10th graders to fully participate in the JV Challenge, a Governor's Cup format competition in November for those two grades only. We understand students are very busy so we will work with other commitments/conflicts.

So, whether you've played before or not, we'd love to have you on the Academic Team! Please see Mr. Phirman (rphirman@bishopbrossart.org) for more information or if you have any questions.

Art Department Request

The art department is running low on a couple items....

Newspaper - We always need newspaper. Right now our stack of newspaper is getting pretty low.

Cardboard - We do a lot of painting on corrugated cardboard. It needs to be clean, flat and smooth. The thicker the better. For the paintings that we do, the smallest it could be is 12" x 18". We often cut the sides out of boxes. If you get any type of large appliances, they often come in good thick cardboard boxes. The best cardboard we have ever found was a box that a lawnmower came in. Any kind of cardboard could be helpful.

Thank you!! All items can be dropped off in the school office.

Bishop Brossart Drama Club Proudly Presents:

The Plot, Like Gravy, Thickens

By: Billy St. John

Ever want to commit murder? Walter, the playwright's alter ego in this madcap mystery, demonstrates just how to do someone in, in your imagination, of course. Who killed Edward Worthington III? Can you help the detective solve the mystery? In this full-length, fast-paced romp of twists and turns the audience participates by mingling with and questioning the suspects. Is anyone truly innocent? This in-the-round experience puts you on the stage with action so close you can reach out and touch it. This entertaining evening promises to be a great night out!

Saturday November 4th: 7:00pm Show

Sunday November 5th: 2:00 pm Show

Tickets on sale at the door.
