FROM THE PRINCIPAL

Happy New Year! This time of year helps us to realize the many blessings we have for each of us. We all continue to face challenges every day but also have many blessings to be thankful for and one of those blessings for me is to be able to work with our wonderful Mustang community.

As we return to school on January 3rd we know it is the winter season and we need to be prepared for potential inclement weather. We will continue to work with Campbell County schools and our feeder school principals when making decisions regarding school delays and closures. As those decisions are made we will send out a message via All Call, Email to parents and students, Facebook, Bishopbrossart.org and our local news stations to keep everyone as informed as possible.

God Bless

Chris Holtz

We take pride to carry on one of Bishop Brossart's most cherished traditions that no deserving student be denied the special BBHS educational experience due to financial need. We were able to surpass our \$110,000 goal last year, will you help us do it again?
