FROM THE PRINCIPAL

We continue to count all of our blessings we have received from our Lord. With the beginning of Lent upon us it is always a great time to renew our relationship with our Lord as we prepare for his passion and rising again.

Looking forward to finishing the year on a strong note as we approach the end of the third quarter next week. The spring calendar is always busy and one of those events is our Senior Class Play which is the weekend of March 8th - 10th. This year's performance will be *9 to 5 The Musical* and we are looking forward to seeing a great show.

Another upcoming event I wanted to note is our PTU meeting on Monday, March 18th. Our School Resource Officer, Adam Noe, will be presenting information for parents on the dangers our kids are exposed to and ways to be more aware.

Finally, we will again be providing the opportunity for students who wish to go through CPR/AED training to do so on March 20th. An email was sent to students to sign up if interested. We had about 80 students do this last year and think it is a great opportunity.

Thank you to all of our parents and members of the Bishop Brossart community for all the

support you have given and continue to give to help all of our students reach their goals.

God Bless

Chris Holtz

MARCH PTU

The March PTU meeting will be held March 4th in the library at 6:30 pm. Our school resource officer, Deputy Adam Noe, will be discussing several topics including vaping and the dangers it presents, current trends with drug usage, and social media issues with today's teens. There will be a question and answer period after the presentation. Please try to attend.
