

2025-2026
Annual Appeal
BISHOP BROSSART HIGH SCHOOL

A LETTER FROM OUR Principal

This is a special year at Bishop Brossart High School as we celebrate 75 years since our beginnings as St. Mary High School in 1950. Reflecting on how our school has grown and how our community has carried us forward is truly a blessing. I am honored to be in my fifth year as principal and my 27th year on staff. I first walked into BBHS as a freshman in August 1989, but my connection to this place began long before that — running the halls during my dad’s evening meetings and attending basketball games at Campbell County are some of my earliest memories. This past May, I had the privilege of standing with the Class of 2025 both as principal and as a father. Bishop Brossart is not simply where I work; it is part of who I am.

I share my story because each of us has our own connection to this school. Maybe you were a student here. Maybe you’re a parent, grandparent, or friend of a graduate. Maybe a Bishop Brossart alumnus made a difference in your life. Our community extends far beyond our walls, and its impact continues to grow every day.

Our annual appeal is the most direct way we ask for your support for all Bishop Brossart students — both those here today and those who will walk our halls in the years to come. We would not be the school we are without the generosity of people like you. Over the last 15 years, we have experienced tremendous growth: the Wilfred Neltner Center with the St. Francis of Assisi Chapel, the Munninghoff Family Performing Arts Center, additional academic spaces, and the Mustang Athletic Complex, which is second to none. We are now preparing to expand our STEM offerings and programs. Above all, we continue to strengthen the faith of our students through opportunities like attending NCYC and receiving the sacraments regularly.

Your support ensures that we can continue this mission. Your gift helps families afford a Catholic education, supports our dedicated faculty and staff, and allows us to create the strongest academic, spiritual, and extracurricular experiences possible. Our teachers are called to serve in a unique and powerful way, and your generosity helps sustain that calling.

As we celebrate 75 years of faith, family, and tradition at Bishop Brossart, I ask you to reflect on the impact this school has had on your life and the lives of those you love. Every gift we receive — every act of generosity — makes it possible for another young person to experience the same blessings, guidance, and sense of belonging that so many of us were given.

Your support is not just a donation. It is a statement of belief in our students. It is an investment in their futures. It is a way of saying that the mission of Catholic education matters, and that Bishop Brossart matters.

Because of you, a family will be able to say “yes” to sending their child here. Because of you, a teacher will feel supported in their calling. Because of you, our students will grow in faith, in academics, and in confidence — ready to make a difference in a world that needs them.

As we honor the past 75 years, I invite you to help us build the next 75. Your generosity today ensures that the blessings we have received continue for generations to come. Thank you for your faith in our mission, your commitment to our students, and your willingness to keep the Bishop Brossart story alive.

WHAT TO OUR Why

Strategic Plan

The strategic planning process included a diverse group of stakeholders — administrators, faculty, staff, Board of Education, Parent Teacher Union, students, and parents. Development of this plan will guide us and ensure that the mission statement is being carried out effectively.

Mission Statement

Bishop Brossart is a Catholic High School that encourages students to embrace the Gospel Message of Jesus Christ in order to mature spiritually, advance academically, develop physically, and foster the spirit of Charity First.

Mission and Foundational Pillars

The Mission of Bishop Brossart High School serves as our North Star. It is supported by four Foundational Pillars, identified as the core strategic areas to effectively grow and support Bishop Brossart as the best Catholic education choice for area students.

Faith & Charity First	Academic Excellence	Character Development	Community
Bishop Brossart's motto is "Charity First" — the foundation that guides students in developing spiritual leadership through volunteer opportunities and stewardship, allowing them to further develop their Catholic Faith.	Academic excellence is a top priority at Bishop Brossart. A rigorous curriculum and immersive learning — supported with innovative technology — develops, fosters, and promotes student achievement.	Developing student character that emphasizes compassion, inclusion, and integrity allows our students to build and nurture lifelong connections and relationships inside and outside of the classroom.	Bishop Brossart fosters belonging and community, with a family-focused atmosphere that encourages close and authentic interpersonal connections among students, faculty, alumni and the community.

A LETTER FROM OUR Development Director

Hello Mustang Community! My name is Scott Wise, and I am excited to be serving in my first year as Director of Advancement here at Bishop Brossart High School.

As we move into the holiday season, I want to extend my sincere thanks for your continued support of this wonderful school. Your generosity and your belief in our mission makes a direct and lasting difference in the lives of every student who walks through our doors. 'Charity First' is more than our motto; it is a daily reality made possible by supporters like you.

Each year, our Annual Appeal plays a vital role in ensuring that a BBHS education remains accessible, excellent, and rooted in our Catholic values. Your gift helps keep tuition as affordable as possible for our families, provides student access to our Academic Enhancement Program, and strengthens our classrooms with cutting-edge technology. This year, we have set a goal of \$100,000, and I am confident that, together, we can reach it.

Having been part of the Mustang family over the last year, I know firsthand how special this community truly is. Every contribution - large or small - reinforces our mission and ensures that Bishop Brossart students continue to learn and grow in a faith-filled, academically strong environment grounded in tradition, character, and community.

I am grateful for your partnership and invite you to prayerfully consider supporting this year's Annual Appeal. As we celebrate 75 years of memories and accomplishments, one thing is clear- the future of Bishop Brossart High School is brighter than ever! With your support, we can continue providing the exceptional experience that makes our school a place students, families, staff, and alumni are proud to call home.

Thank you for the warm welcome into the Mustang family and for your unwavering commitment to our students and to this school. May God continue to bless you and your family.

Go Mustangs!
SCOTT WISE
